## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-6 are allowed.
2. The following is an examiner's statement of reasons for allowance: as to claims 1-6, patentability resides, at least in part in, the damping device comprising two symmetrically identical cushion pads having a main body and upper and lower reinforcing strips, in combination with the other limitations of the base claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Please note the damping devices of Imai et al. (6673460), Stolz et al. (6498722), Chee et al.
